Call in Information:

Call in Number = 877-411-9748

User access code = 1193649

Updates from those who could not make the meeting:

I am meeting with the Chiefs of MABAS Div. 107 to gain their support in sponsoring our SEW-IMT. In the afternoon our IMT Governance Board is meeting to interview members for the team leader and training position. We were able to get over 30 people to apply for our team. We are hoping to go active early next year.

James H. Ley
